November	Veterans Day
February	President's Day
May	Memorial Day
June	Flag Day
July	Independence Day

Each holiday isn't it wonderful to see all the American flags proudly flying all over town? Isn't it wonderful to see them flying all down the street in your neighborhood?

The Stephenville Lions Club helps provides a community service to help make this possible. For a mere \$25.00 per year, the members of the Lions Club will provide you with a large American flag that will be placed in your yard on the morning of each of the flag holidays listed above and then be picked up at dusk. You don't have to try to remember the holidays, and you don't have to try to remember where you put your flag or the pole it flies on. It will just appear in your yard on the appropriate days.

In addition to showing your patriotism and American spirit, by subscribing with the Lions Club for this service you are assisting in providing free eye exams and prescription glasses for school children who can't otherwise afford them. You are also providing opportunities for challenged children to play baseball in the "All Star League" and attend local summer camps where they get a chance to be "just kids" each summer. All the money collected is used here in Stephenville to support these and other community service projects.

If you have further questions, you may contact any Lions Club member or contact Lion Steve Patterson at 965-7803, 968-5907 or email at steve@pattersonagency.net.

If you want to order this service today, fill in the information below and mail your application with a check (\$25.00 per flag) made out to the Stephenville Lions Club to:
